

# Digitally Store Qualifications in SalamanderLive<sup>TM</sup>

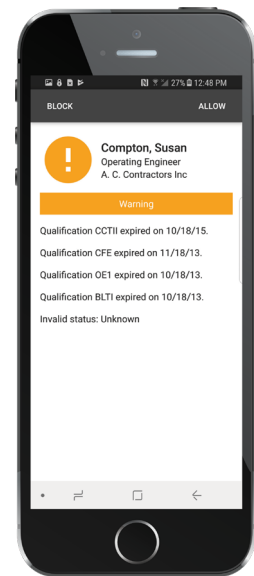

## PRE-LOADED WITH OVER 900 QUALIFICATIONS:

Salamander's qualification set for the Federal / National Tier allows users to access a list of pre-loaded qualifications to assign to records within your SalamanderLive<sup>TM</sup> database. The tier structure for people is organized by Emergency Support Function (ESF). By following the standard qualification coding for Federal / National qualifications, it will be easy for everyone to interpret while out in the field.

## ACCREDITED AGENCIES:

Each of the 15 Emergency Support Function (ESF) folders with the hundreds of qualification options are all established by accredited agencies:

- All Hazards Incident Management Team Association (**AHIMT**)
- American Red Cross (**ARC**)
- CISA Emergency Communications Divisions (**CISA-ECD**)
- U.S. Department of Transportation (**DOT**)
- Federal Communications Commission (**FCC**)
- National Association for Search and Rescue (**NASAR**)
- National Fire Protection Association (**NFPA**)
- National Outdoor Leadership School (**NOLS**)
- National Qualification System (**NQS**)
- National Registry of Emergency Medical Technicians (**NREMT**)
- National Wildfire Coordinating Group (**NWCG**)
- Telecommunicator Emergency Response Taskforce (**TERT**)
- Urban Search & Rescue - FEMA (**USAR**)
- United States Department of Agriculture (**USDA**)

*Image displays an individual's assigned qualifications in the TRACK APP with SALAMANDER IDENTITY VERIFICATION.*

## Additional Benefits Include:

- Add State, Regional, Local, and Other qualifications of your choice to assign to personnel
- After assigning a qualification, add an issue / expiration date and certification number
- Visibility to qualification expiration notices on the Home dashboard within SalamanderLive
- Eliminate the need for a paper trail by quickly assigning qualifications to personnel
- Assign training certifications and include an issue / expiration date and certification number
- Create confidence that the right people are on-scene based on their training and qualifications assigned
- Tie qualifications to people and equipment
